With effect from 1 January 2022, Appendix 14 to the Listing Rules has been updated and renamed as the Corporate Governance Code (the “CG Code”) and most of the amendments under the CG Code are applicable to financial years commencing on or after 1 January 2022. The Company will fully apply and comply with the CG Code in its 2023 Annual Report. The Company has already complied with some of the new requirements under the CG Code in this Corporate Governance Report.

Throughout the financial year ended 31 March 2022, the Company has applied and complied with the CG Code, except for the code provision in respect of the roles of the Chairman and Chief Executive of the Company (“CE”) (i.e. C.2.1). All Directors of the Company have confirmed, following specific enquiry by the Company, that they have complied with the required standards set out in the Model Code throughout the year ended 31 March 2022.

CORPORATE GOVERNANCE FUNCTIONS

THE BOARD

Board Diversity Policy

The Board adopted a Board diversity policy with the aim of achieving diversity on the Board. Selection and recommendation of candidates will be based on the selection criteria, the nomination procedures and the process of the Company's nomination policy adopted by the Board as well as a range of diversity perspectives, including but not limited to gender, age, cultural and educational background, professional experience, ethnicity, skills, knowledge and length of service.

All Board appointments will be based on merit and contribution that the selected candidates will bring to the Board, having due regard to the benefits of diversity on the Board.

The Board recognizes the importance of the board gender diversity not just for improving corporate governance system and strategic decisions in boardroom but also for imparting positive values to the Company. The Board currently has no female Director. We would continue to take initiatives to identify suitable candidates so as to appoint at least one female Director on the Board no later than 31 December 2024.

He takes responsibility for ensuring that good corporate governance practices and procedures are established and encourages all Directors to make a full and active contribution to the Board's affairs. Directors with different views are encouraged to voice their concerns. They are allowed sufficient time for discussion of issues so as to ensure that Board decisions fairly reflect Board consensus. A culture of openness is promoted to facilitate the effective contribution of NEDs and ensure constructive relations between EDs and NEDs.

EDs and the Board Committees of the Company are delegated with the authority to manage the business of the Group in all aspects effectively. With the assistance of the Company Secretary, the Chairman approves Board meeting agendas and takes into account, where appropriate, any matters proposed by the other Directors for inclusion in the agendas. Also, with the support of the EDs and the Company Secretary, the Chairman ensures that all Directors are properly briefed and timely receive adequate, clear, complete and reliable information on all Board matters.

EDs are responsible for different business and functional divisions of the Group in accordance with their respective areas of expertise. Daily operations and administration are delegated to the management under supervision which is given clear directions as to their powers in particular with respect to the circumstances under which they should report back to and obtain prior approval from the Board before making decisions or entering into any commitments on behalf of the Company. The Board reviews the existing arrangements periodically to ensure that they remain appropriate to the Company's needs.

The NEDs, including the INEDs, participate in Board meetings to bring expertise and independent views on important issues relating to the Company's strategy, policy, performance, accountability, resources, key appointments, standards of conduct, take the lead on matters where potential conflicts of interests arise, scrutinize the Company's performance in achieving agreed corporate goals and objectives, and monitor performance reporting. They also serve on Board Committees of the Company, including the Audit Committee, the Remuneration Committee and the Nomination Committee. The NED and INEDs give the Board and Board committees on which they serve the benefit of their skills, expertise and varied backgrounds and qualifications through regular attendance and active participation at the relevant meetings. They also attend AGMs to understand the view of the Shareholders. They make a positive contribution to the development of the Company's strategy and policy through independent, constructive and informed comments.

The Board has more than one third of the Directors as INEDs, each of them comes from different business and professional background and at least one of them has accounting or related financial management expertise. The Board has received from each INED an annual written confirmation of independence pursuant to Rule 3.13 of the Listing Rules. The Company is of the view that each INED meets the requirements of independence as set out in Rule 3.13 of the Listing Rules and continues to consider each of them to be independent up to the date of the AR.

The Board includes a balanced composition of EDs, NED and INEDs so that there is a strong independent element on the Board to exercise independent judgement to bear on issues of strategy, policy, performance, accountability, resources, key appointment and standards of conduct.

The composition of the Board, by category and position of Directors including the names of the Chairman, EDs, NED and INEDs, is disclosed in all the corporate communications. They are also able to obtain independent professional advice by written procedure adopted by the Company at the expense of the Company in appropriate circumstances.

Directors and Officers Liabilities

The Company has arranged appropriate Directors and Officers liability insurance coverage for its Directors and officers since 2004.

CHAIRMAN AND CE

Under the code provision C.2.1 of the CG Code, the roles of the Chairman and CE should be separate and should not be performed by the same individual. Mr. Cheung Kee Wee is the Chairman of the Board and there is not a post of CE in the Company. The roles of the CE are performed by all the EDs with clear division of responsibilities under the leadership of the Chairman. The Board considers that this arrangement allows contributions from all EDs with different expertise and can ensure the balance of power and authority between the Board and the management of the Group. The Board therefore believes that this structure can enable the Group to make and implement decisions promptly and efficiently and is beneficial to the business prospect of the Group.

APPOINTMENT, RE-ELECTION AND REMOVAL OF DIRECTORS

The selection process of Directors is performed by the Board in accordance with the Company's Articles, the recommendations on nominations of Directors made by the Nomination Committee as well as the written procedures for Shareholders to propose a person for election as a Director. The said procedures are posted on the Company's website.

When considering a potential Director who is recommended by the EDs, the Nomination Committee or the Shareholder(s), the Board will take into consideration certain criteria such as the candidate's professional knowledge and experience, integrity and personal skills, possible conflicts of interests and time commitment to the Company. If the potential Director cannot give sufficient time and attention to the Company's affairs, he/she will be advised not to accept the appointment.

A newly appointed Director will receive reference material of the Company such as interim and annual reports and circulars with a view to familiarizing him/her with the business operation of the Company and the corporate structure of the Group. Updates are provided to Directors to ensure that Directors are aware of the latest changes in the commercial and regulatory environment in which the Group conducts its business. “A Guide on Directors’ Duties” issued by the Companies Registry, “Guidelines for Directors” and “Guide for Independent Non-Executive Directors” both issued by The Hong Kong Institute of Directors, “Toolkit on Directors’ Ethic” issued by Independent Commission Against Corruption, “Guidance for Boards and Directors” and “Leadership Role and Accountability in ESG” both issued by the Stock Exchange have been given to each Director for information and easy reference.

Each Director disclosed to the Company at the time of his appointment and in a timely manner for any change, the number and nature of offices held in public companies or organizations.

Under the code provision C.3.3 of the CG Code, the Company should have formal letters of appointments for Directors setting out the key terms and conditions of their appointment. All Directors have been issued with the said formal letters of appointment from the Company.

In accordance with Article 90 of the Company’s Articles, a newly appointed Director is subject to re-election by the Shareholders at the next following AGM after his/her appointment, but shall not be taken into account in determining the Directors who are to retire by rotation and re-election at the AGM in accordance with Article 99(A) of the Company’s Articles.

There are eight Directors including five NEDs in the Company for the time being. As one-third of the eight Directors shall retire from office by rotation at each AGM, each of them shall retire at least once every three years. The Board is of the view that the current practice of appointing Directors which includes NEDs without specific terms but otherwise subject to retirement by rotation and re-election by the Shareholders at the AGM is reasonable and appropriate to the needs of the Company.

The Company may by an ordinary resolution remove a Director before the expiration of his/her period of office notwithstanding anything in the Company’s Articles or in any agreement between the Company and such Director. Special notice is required of a resolution to remove a Director or to appoint somebody in place of a Director so removed at the general meeting of the Company (“GM”) at which he/she is removed in accordance with the Companies Ordinance.

Each Director (including INED) who was subject to retirement by rotation was appointed by a separate resolution in the AGM. In respect of an INED who has served more than nine years, the Company will express its view in the Company's circular that each INED who is eligible for re-election has met the independence guidelines set out in Rule 3.13 of the Listing Rules and is independent.

The names and details of the retiring Directors who will offer themselves for re-election at the forthcoming AGM are set out in the Appendix to the Company's circular dated 28 July 2022.

RISK MANAGEMENT AND INTERNAL CONTROL

Risk Management

The Board has the overall responsibility for establishing, maintaining and evaluating the adequacy and effectiveness of the risk management and internal control systems of the Group on an ongoing basis. Such systems are designed to manage rather than eliminate risk of failure to achieve business objective, and can only provide reasonable but not absolute assurance against material misstatement or loss.

Management is responsible for setting the appropriate tone from the top, performing risk assessments, and owning the design, implementation, monitoring and maintenance of internal controls. The associated policies and procedures for risk management and internal controls, which are properly documented and communicated to staff, are designed to help ensure that the Group's assets are safeguarded against unauthorised use or disposition; relevant rules and regulations are adhered to and complied with; complete, accurate and reliable financial and accounting records are maintained; and key risk factors including business strategic, operational, financial and regulatory compliance risks which may impact the Group's performance are appropriately identified and managed.

To ensure the risk management process is consistent with the best practice, the Group has incorporated the suggestions from the external consultant into the Group's risk management framework.

The Group's risk management framework comprises the following key features:

- A distinct organisational structure for different responsible parties with defined authority, responsibilities and risk management roles is in place.
- The Board sets forth the proper risk management culture and risk appetite for the Group, evaluates and determines the level of risk that the Group should take and monitor regularly.
- The Risk Management Coordinator facilitates the risk assessment process and timely communication to the Audit Committee and the Board. Also, they ensure key business and operational risks being properly identified and managed.
- A Risk Management Policy has been established to provide a framework for the identification, analysis, evaluation, treatment, monitoring and reporting of key risks at all levels across the Group to support the achievement of the organisation's overall strategic objectives.

Identified potential risks are evaluated using appropriate qualitative and quantitative techniques and risk responses (i.e. accept, reduce, transfer and avoid) are formulated, which are consistent with the Group's risk appetite. Risks are assessed based on a risk assessment matrix that helps to rank the risks into 4 risk levels (e.g. Extremely High, High, Medium and Low) and to prioritise risk management effort to determine the appropriate risk mitigation plans.

Internal Control
